WE have pleasure in announcing the forthcoming production of "*Rose Marie*" during Easter week, and we trust the performance will uphold the high standard set by "*The Student Prince*," "*The Desert Song*" and "*The New Moon*" in former years.

The title part is played by Miss Lisbeth Lennon, a well-known B.B.C. and Television Soprano, who has played the lead in several successful productions in Waterford during the past few years.

Mr. Thomas Milne of the Dublin Grand Opera Society, plays the Tenor lead.

Above will be ably supported by our own local talent with a chorus of up to eighty voices. We hope to have a first rate orchestra augmented by The Army School of Music, and no efforts have been spared to have the costumes, staging and scenery as colourful and attractive as possible.

The cost of production will again run to about £1,000, which we have confidently undertaken, knowing that we could now, as in the past, count on the loyal support of our Patrons. We are, therefore, opening a Patrons' fund, as in our previous production, subscriptions being £1, which entitles Patrons to two Complimentary 5/- tickets on any night they choose. Also all subscriptions will be promptly acknowledged and complete list will be published on the official programme, which will be printed about March 26th. Subscriptions should, accordingly, be sent within the next ten days to any of the undersigned.

Dr. R. COUNIHAN, *Chairman.*

C. D. GLYNN, *Hon. Secretary.*

W. D. SAUNDERS, *Hon. Treasurer.*
